## The Attraction of VR 「vs Yoshihiro Shimazu」

Hioki City, Kagoshima, is the birthplace of Yoshihiro Shimazu, who achieved the feat of "breaking through enemy lines" during the Sengoku period. To mark the 400th anniversary of the death of Yoshihiro Shimazu in 2019, Hioki City has launched the "Hioki City PR Busho-tai Project" to design Hioki as a place associated with the Sengoku Shimazu. At the Sengoku Shimazu Experience "Yoshitoshi Samurai Center", which opened in 2020, you can enjoy the VR sword fighting attraction (vs Yoshihiro Shimazu). Will you be able to swing the sword on the controller and survive the numerous challenges?!
